Old Business:

Library Updates:

Kleckler gave out a handout that addresses the Strategic Plan for the library.

The seven priorities listed will be reviewed periodically to ensure that the initiatives are followed through and progress is being made. Kleckler noted that

the measurables will be different for each of the seven categories, dependent on the task. Once the champion is assigned, the initiatives will be reviewed monthly by the Board. Klecker stated that we will build partnerships with other organizations to expand our resources.

Fernandez moved to approve the Strategic Plan and Severson seconded. All aye and motion carried.

Lowery went over the details of the 2016 Minnesota Department of Education Public Library Annual Report Worksheet. Lowery collects all of this info and reports it to the Department of Education. There was discussion regarding certain categories that have fluctuated from previous years. Lowery stated that new borrowers are added daily, and that the trend is a decrease in book circulation and an increase in E-materials

Klecker stated that parts of this report may be useful for our strategic plan. He is encouraged that the numbers are going up even though our expenditures have decreased. He also stated that the staff at the Library have been very instrumental in making good decisions about purchased materials.

Budget and Capital Improvement:

6. New Business:

City Council has approved the implementation of a policy of no tobacco on the OPL grounds. There have been several signs placed strategically around the Library grounds including the garden area. We expect that there will be a period of adjustment with reinforcing this new rule. We cannot issue them a ticket, however we can ask the patrons to leave the premises.

A new director, Krista Ross, has been selected at SELCO who has significant experience with smaller libraries. Pfeifer was on the selection committee.

8. Long term planning:

A meeting with the City Council will take place immediately after the Board Meeting.

Adjourn

Mohs moved to adjourn the meeting and Severson seconded; all aye. The meeting was adjourned at 5:25 PM.

Respectfully submitted by Robin Spande
