## TREE DISPOSAL POLICY

(Revised 7/21/14)

### Introduction:

The City of Owatonna finds that it is in the best interest of the residents for the city to assume basic responsibility for tree maintenance and disposal of boulevard, park and other city owned trees. Personnel from the City of Owatonna Street Department Division of Public Works under the supervision of the Street Superintendent under the direction of the Director of Public Works/City Engineer shall be responsible for the removal of fallen trees, trimming of trees located in city boulevards, city parks, and the municipal golf course, and carrying out the City's plan for disposal of dead and/or diseased trees, limbs, and leaves. The City will provide such service in a cost effective manner, keeping in mind safety, budget, personnel and environmental concerns. The City will use City employees, equipment and/or private contractors to provide this service. Removal and disposal of trees, limbs, branches etc. is dependent on weather conditions, personnel and equipment availability.

### Procedure:

The City will utilize the available wood in City operations as much as practicable. Suitable wood will be chipped and used in City parks and on trails. Wood that can be sawed into planks will be used on City trucks or other operations. The balance of wood that cannot be used by the City may be hauled away to those property owners who are willing to take it and who are located within a reasonable distance. When wood is available, a notice will be placed in the local newspaper. Registration forms must be obtained and signed and payment for delivery made at the office of the City Engineer, second floor of the City Administration Building, 540 West Hills Circle before hauling.

For delivery of firewood or woodchips to private property, the site must be adequate size to dump a tandem truckload. Wood can be any size from 6 inches to 48 inches in diameter or any type from oak to cottonwood. For people living within the city limits, the price per load is \$15.00. For people living up to ten miles outside city limits, the price per load is \$30.00. For people living 11 to 15 miles outside city limits, the price per load is \$50.00. **All fees are payable in advance** before hauling or loading. Purchaser shall agree that the City of Owatonna is not responsible for damages done by dumping wood or woodchips into or onto purchaser's trucks, trailers, or the owner's private property. Purchaser shall not be allowed to bring his own equipment onto City property for the purpose of loading firewood or woodchips. All wood is accepted "AS IS" without warranty of any kind.
