March 10, 2017

Wednesday Evening Women's League Participants,

Spring is right around the corner and so is the deadline for league registration. In response to your feedback, the format of league this year accommodates smaller teams and hopefully sparks new interest. The new format is a **Two Person Best Ball**. Each golfer plays their own ball and the lowest score per hole applies to the team score. Additionally in this format, substitutes are not necessary and the \$135 team fee is eliminated. Cost per player is \$32.21 for an MGA Handicap and \$25 for the league fee.

The specifics of the Two Person Best Ball format are as follows:

- Each player plays her own ball from tee to hole
- Teammates compare scores and records lower score for that hole
 - Ex: On Hole Two, Player A shoots a 4 and Player B shoots a 6. The team score for Hole Two is recorded as 4.
- MGA handicaps apply

The League Kickoff is April 26th and is a fun night to catch up with one another and establish handicaps. After the round, the team in charge will host a brief league meeting in the Brooktree Clubhouse to discuss plans for the season. Make sure to mark your calendars for the banquet on August 23rd!

Registration is currently open! Required fees at the time of registration are: \$32.21 player that includes your MGA handicap and the \$25 per player team fee, which goes to your league for prizes throughout the season. **Want to play, but don't have a partner? That's ok! Register as a single and be paired with another single to play with for the season!** Register at the Parks and Recreation Office, Monday – Friday, 7:00am – 5:00pm or at Brooktree starting March 15th Tuesdays – Noon to 5:00pm, Wednesdays and Thursdays – 7:00am to Noon. April clubhouse hours will be posted later this month. Fees can be paid by cash, check or credit, payable to Brooktree. **Registration Deadline April 10th.**

Thank you,
