SUBJECT: Handicap Parking – W Broadway Street

## Purpose

Council approval of Resolution 85-20 to move an existing handicap parking spot on south side of the 100 block of Broadway to the corner of Oak and Broadway and add an additional spot at the corner of Broadway and West Park Square.

## Background:

The mid-block crosswalk in the 100 block of Broadway is being eliminated due to safety concerns. An existing handicap parking spot needs to be moved to provide access to a curb ramp. With the spot being located to the west, staff is recommending adding a spot at West Park Square.

## Budget Impact:

The estimated cost for construction is less than \$250.00

## Staff Recommendation:

Staff recommends approval of Resolution 85-20.
