Subject: Resignation from Park Board

Mayor Kuntz and Mr. Klecker,

Due to an opportunity to move out of Owatonna City limits, I must submit my resignation from the Park Board. While my exact moving date is not clear as of now, I will be changing my residence within 30 days. I still plan on attending today's meeting as my last.

I cannot thank you enough for the opportunity to participate in local government.

Thank you,

Nicholas Elsner
