RE: Adoption of S-5 Supplement to the 2015 Ordinance Code

Purpose:

Council approval of Proposed Ordinance 21-3 to adopt the S-5 Supplement to the 2015 Ordinance Code of the City of Owatonna.

Background:

A Minnesota State Statute provides that a City may revise and codify the Code of Ordinances from time to time and publish the same. Codification is a process by which ordinances adopted by the City are organized according to topic, assigned a section number, and printed and published in a book format in order that the Ordinances are available for reference to the public. The most recent codification of the City Ordinance Code was published in 2015.

American Legal Publishing Corporation, a publisher of municipal codes affiliated with the League of Minnesota Cities, completed the recodification. Annually, they prepare supplement to our Code of Ordinances which contains all ordinances approved since the prior supplement; this is fifth supplement, S-5.

The Official Copy of the 2015 Code is kept on file in the office of the City Administrator. Copies of the City Code of Ordinances is also provided to the Steele County Court Administrator for the Steele County Law Library located at the Steele County Courthouse and the Owatonna Public Library. An on-line version of the Code is available on the City's website which enables the public to search, browse, and navigate the City Code.

Budget Impact:

S-5 Supplement – Editing 69 pages @ \$18.00/page plus shipping/handling	\$1,314.00
2021 S-5 Folio Supplement	203.00
Annual Website Host Fee	450.00
Paid to American Legal Publishing Corporation	\$1,167.00

Recommendation:

I recommend approval of this first reading of Proposed Ordinance 21-3. A second/final reading will be heard during the next Council Meeting on April 20,2021.
