Council to approve a new 2021 Tree Trimmer's License.

Background:

We received an application for a Tree Trimmer's License, from Dakota Ellingson for his company, D&A Maintenance, LLC of Medford, MN. This will be the eighth license issued this year. City Code states it "unlawful for any person to cut, trim, prune, remove, spray or otherwise treat trees, shrubs or vines which are located on or extend over any public street, boulevard, park or other public place, for another, without a license therefor."

A completed application, authorization for back ground check, permit fee and required insurance information were received for this license.

Budget Impact:

The City receives \$50 for each tree trimmer license application.

Staff recommends Council approve this application for a Tree Trimmer's License, this will be the eighth license issued this year.
