Subject: Acceptance State Farm Grant

Purpose:

This is a request for council approval authorizing the acceptance of a grant from State Farm for the purchase of an additional rescue tool.

Background:

With the upcoming arrival of our new fire engine, we have secured grant funding for the majority of or extrication equipment that will be on it. One piece of that we have not obtained is a Ram. This is part of the hydraulic tools we use in extrication.

Budget Impact:

State Farm has awarded us a \$9,000 grant for the purchase of this hydraulic Ram. The purchase price is estimated at \$9,072.00 plus shipping.

The breakdown of costs:

Grant from State Farm:	\$9,000.00
City funds (from existing fire budget)	<u>\$172.00</u>
TOTAL Project Costs	\$9,172.00

Staff Recommendation:

I recommend approval to accept the grant.

If you have any questions or concerns regarding this issue please contact me.

Sincerely,

Ed Hoffman

Fire Chief, City of Owatonna
